I think that we should take into consideration and look at these three bills.

PRESIDENT: We are still under the suspension of the rules. We have a motion of Senator Stoney to reconsider those bills which failed to advance. Senator Stoney I'm afraid that under our rules we do have to take them individually. Could you announce the first one.

STONE: LB477

PRESIDENT: Alright, we're going to have debate on the reconsideration. That is proper. Senator Fowler.

SENATOR FOWLER: I guess a point of information. Which side was Senator Stoney on on the vote?

PRESIDENT: Well that is very interesting, how did you vote on them Senator?

SENATOR STONEY: I voted aye.

PRESIDENT: Senator Schmit.

SENATOR SCHMIT: Mr. President, members of the Legislature, I know where I stood on 477 I did not vote, and in interest of fairness I will make the motion, because I think that Senator Dickinson voted aye.

PRESIDENT: Alright, that clears the record in case there is a problem. We have got it double now. Senator Cavanaugh do you wish to be heard again? The question is the reconsideration
